

# ARES Emergency Operations Plan

## Minnesota Section

---

### *Annex 2: Other Frequencies (CB/FRS/GMRS/Public Safety)*

#### **CB Frequencies:**

| Mnemonic                     | Frequency     | Modulation | Primary Purpose                    |
|------------------------------|---------------|------------|------------------------------------|
| Channel One (1)              | 26.965        | AM         |                                    |
| Channel Two (2)              | 26.975        | AM         |                                    |
| Channel Three (3)            | 26.985        | AM         |                                    |
| Channel Four (4)             | 27.005        | AM         |                                    |
| Channel Five (5)             | 27.015        | AM         |                                    |
| <b>Channel Six (6)</b>       | <b>27.025</b> | <b>AM</b>  | <b>Calling Frequency</b>           |
| Channel Seven (7)            | 27.035        | AM         |                                    |
| Channel Eight (8)            | 27.055        | AM         |                                    |
| <b>Channel Nine (9)</b>      | <b>27.065</b> | <b>AM</b>  | <b>Primary</b>                     |
| Channel Ten (10)             | 27.075        | AM         |                                    |
| Channel Eleven (11)          | 27.085        | AM         |                                    |
| Channel Twelve (12)          | 27.105        | AM         |                                    |
| Channel Thirteen (13)        | 27.115        | AM         |                                    |
| Channel Fourteen (14)        | 27.125        | AM         |                                    |
| Channel Fifteen (15)         | 27.135        | AM         |                                    |
| Channel Sixteen (16)         | 27.155        | AM         |                                    |
| Channel Seventeen (17)       | 27.165        | AM         |                                    |
| Channel Eighteen (18)        | 27.175        | AM         |                                    |
| <b>Channel Nineteen (19)</b> | <b>27.185</b> | <b>AM</b>  | <b>Alternate Calling Frequency</b> |
| Channel Twenty (20)          | 27.205        | AM         |                                    |
| Channel Twenty One (21)      | 27.215        | AM         |                                    |
| Channel Twenty Two (22)      | 27.225        | AM         |                                    |
| Channel Twenty Three (23)    | 27.255        | AM         |                                    |
| Channel Twenty Four (24)     | 27.235        | AM         |                                    |
| Channel Twenty Five (25)     | 27.245        | AM         |                                    |

---

|                                 |               |           |                  |
|---------------------------------|---------------|-----------|------------------|
| Channel Twenty Six (26)         | 27.265        | AM        |                  |
| Channel Twenty Seven (27)       | 27.275        | AM        |                  |
| Channel Twenty Eight (28)       | 27.285        | AM        |                  |
| <b>Channel Twenty Nine (29)</b> | <b>27.295</b> | <b>AM</b> | <b>Alternate</b> |
| Channel Thirty (30)             | 27.305        | AM        |                  |
| Channel Thirty One (31)         | 27.315        | AM        |                  |
| Channel Thirty Two (32)         | 27.325        | AM        |                  |
| Channel Thirty Three (33)       | 27.335        | AM        |                  |
| Channel Thirty Four (34)        | 27.345        | AM        |                  |
| Channel Thirty Five (35)        | 27.355        | AM        |                  |
| Channel Thirty Six (36)         | 27.365        | AM        |                  |
| Channel Thirty Seven (37)       | 27.375        | AM        |                  |
| Channel Thirty Eight (38)       | 27.385        | AM        |                  |
| Channel Thirty Nine (39)        | 27.395        | AM        |                  |
| Channel Forty (40)              | 27.405        | AM        |                  |

### FRS Frequencies:

| Mnemonic                   | Frequency       | Sub Channel         | Primary Purpose          |
|----------------------------|-----------------|---------------------|--------------------------|
| <b>Fox Romeo One (1)</b>   | <b>462.5625</b> | <b>None/No Tone</b> | <b>Primary</b>           |
| Fox Romeo Two (2)          | 462.5875        | None/No Tone        |                          |
| Fox Romeo Three (3)        | 462.6125        | None/No Tone        |                          |
| Fox Romeo Four (4)         | 462.6375        | None/No Tone        |                          |
| Fox Romeo Five (5)         | 462.6625        | None/No Tone        |                          |
| Fox Romeo Six (6)          | 462.6875        | None/No Tone        |                          |
| Fox Romeo Seven (7)        | 462.7125        | None/No Tone        |                          |
| Fox Romeo Eight (8)        | 467.5625        | None/No Tone        |                          |
| <b>Fox Romeo Niner (9)</b> | <b>467.5875</b> | <b>None/No Tone</b> | <b>Calling Frequency</b> |
| Fox Romeo Ten (10)         | 467.6125        | None/No Tone        |                          |
| Fox Romeo Eleven (11)      | 467.6375        | None/No Tone        |                          |
| Fox Romeo Twelve (12)      | 467.6625        | None/No Tone        |                          |
| Fox Romeo Thirteen (13)    | 467.6875        | None/No Tone        |                          |
